

Bio-based panliners

Consumer goods | Food Packaging

Print Date: 2024-07-03

Benefits

- Bio-based, 14C measurable
- Food-grade quality
- Stain- and scratch-resistant
- Significant reduction in food waste and cleaning costs due to a decrease in the use of detergents, energy and labor

Details

Arnitel® Eco TPC is a more sustainable solution for panliners and food contact applications since it offers a 65% reduction in carbon dioxide compared to conventional materials. In addition, it's extremely durable and temperature resistant up to 200°C (392°F). Arnitel Eco has an important feature: food does not stick to it. This gives a higher yield and better food presentation.
