

Packaging for Sterilized Surgical Devices

Healthcare / Medical Devices and Accessories

Print Date: 2025-12-13

Benefits

- Good barrier performance
- High temperature sterilization resistance
- High puncture resistance
- Good transparency
- Resistant to lipids and carrier solutions

Details

Akulon® PA6 F130–C LOPA is a reliable solution for sterilized surgical device packaging, such as syringes and surgical instruments. It yields very low oligomer content versus the standard polyamides, which significantly reduce lactam pollution in film production, leading to less cleaning stops.

Products

Akulon® F130–C1
