

Robotic cameras & housings

Robotics

Print Date: 2024-06-20

Benefits

- Material solutions with industry-leading strength and stiffness.
- Easy-to-process chemistry for precision molded parts.
- Superior performance vs. competitive PBT and PPA materials.

Details

Envalior offers a broad portfolio of material solutions for precision parts such as camera housings. They are formulated for easy processing and backed by global application development support to expedite the design process.

Products

Arnite® TV4 261 HR-HS
PBT-GF30
