

Thermostat housing

Automotive

Print Date: 2024-06-20

Benefits

- Benefits Best long term performance in water/glycol Outstanding surface finish Reduced production costs due to early demolding (short cycle time) Application requirements Water/glycol resistance Feasibility of complex parts Excellent surface finish Dimensional stability High weldline strength Material properties Low flash Water/glycol resistant Rigid Outstanding surface quality Dimensional stability Easy to mold – easy processing High impact resistance

Details

Best long term performance in water/glycol; Outstanding surface finish; Reduced production costs due to early demolding (short cycle time)
