

cooling element

Automotive

Print Date: 2025-12-13

Benefits

- Outstanding thermal conductivity
- UL 94 V-0 @ 0.75 mm
- CTI A 600 reduces risk of short circuits and defects
- Dissipates the heat generated in the plug contacts of the controller
- BTC70FM30 is an interesting alternative to BTC965FM30

Products

Durethan® BTC965FM30
PA6-MX68 FR(61)

Seller represents and warrants exclusively that on the date of delivery by Seller the product shall be in conformity with the specifications agreed upon. Seller makes no other representations or warranties, whether express or implied.
Seller is not responsible or liable for the design of the products of the Customer and it is the responsibility of the Customer to determine that the Seller's product is safe, complies with application laws and regulations, and is technically or otherwise fit for its intended use. Seller does not endorse or claim suitability of its products for a specific application and disclaims each and every representation or warranty, whether express or implied, in that respect.

Typical values are indicative only and are not to be construed as being binding specifications. Colorants in the product or other additives may cause significant variations in typical values.
